

Tatra Register UK Annual Rally 2023

Weymouth - 23-25 June 2023

The club is returning to Weymouth for our 2023 rally ...but in June this time!! If you came along in 2012 you will remember what an interesting area this is, if not this map & pic will give you some clues.

We are again staying at Hotel Rembrandt, 01305 764000. When booking, do mention Tatra Register UK. The rates for the two nights bed & breakfast are: Double £343 and Single £283 – could be worth checking the rates on the web first. There will be other cheaper accommodation available close by – the hotel's postcode is DT4 7JU.

Friday evening: Andrew Bone has kindly invited us all to his house (walking distance from the hotel) for an 'open house' with buffet food provided in the rally fee (TBA) but do please bring whatever you want drink. This visit will also enable members to see Andrew's extensive model collection, some of which is featured above.

Saturday evening: The Aylesbury Suite has been booked - the same room as 2012 – with tables set out, so we can drink, socialise and order from the restaurant as necessary.

Important things last - please tell Andrew that you've booked and are coming along:
